TO WHOM IT MAY CONCERN

This is to confirm that Elcir has executed the following works at the Beirut International Airport as Sub Contractors:-

01. Stainless Steel Balustrades and Railings.
02. Stainless Steel Doors including Automation.
03. Stainless Steel Partitions and Cladding
04. Overhead Coiling Doors.
05. Automated Aluminium Sliding Partitions
06. Column Enclosures.

The above works, have been executed to our full satisfaction and as per the Architect's Specifications and Bill of Quantities; and within the agreed frame of time allowed by the Sub Contract Agreement.

This letter of recommendation was issued upon the request of Messrs. Elcir .

Regards,

Matoun Lebhos
Assistant Project Manager (Tech.)
